

# ELEMENTARY

GRADES  
K-5

2023  
CATALOG

Hi there,

What's new with Pitsco, you ask? Our interactive [Elementary catalog](#) has got it all! Browse our newest digital creation to watch all your favorite and new-to-you K-5 STEM products come to life.

**DON'T MISS ANY OF OUR NEW! PROJECTS:**

### Read Alouds (K-2)

Our newest literacy packs are written by educators for educators, connecting hands-on learning with storytelling.

### LUMA (Grades 4-6)

This friendly bot makes coding approachable and fun! She shines a spotlight on computer science connections and careers.

### Family STEM Night Bundle (All Ages)

Plan and host your own custom family-friendly event using these supplies and planning materials.

### ISprowt (K-5)

Engage learners in phenomena-based learning with these zero-prep, all-inclusive kits and workbooks.

### Blue-Bot® Curriculum (K-3)

Add some standards-aligned lessons to your Blue-Bot® programmable floor robot.
