

BARNES & NOBLE CLASSWORK

Our secure purchasing portal, &CLASSWORK, provides authorized users with 24/7 access to nearly 2 million K-12 books and professional development resources. With direct connection to your local representative, a live person is here to assist at every step. Plus, your dollars stay local, benefitting your B&N store and community.

FIND EXACTLY WHAT YOU NEED

Our portal has simple filters to help you browse by topic, grade level, book format, or even language. If you have a specific booklist in mind, use our quick order upload function to quickly add ISBNs and quantities into a shopping list. For products not listed on the site, such as toys and games, reach out to your local representative for details on discounts and availability.

STAY ON BUDGET WITH BUILT-IN DISCOUNTS

The full retail price of each book is displayed as you browse. Watch your discounts apply in your shopping list, so you can track your budget effortlessly. A standard tiered discount is available for all eligible books and is dependent on the subtotal amount of the order.

- 20% discount on purchases ranging between \$0 – \$999
- 30% discount on purchases ranging between \$1,000 – \$4,999
- 35% discount on purchases ranging between \$5,000+

We accept POs and Credit Cards as payment and tax-exemption is applied at the time of purchase for all eligible organizations.

CHECK REAL-TIME STOCK AVAILABILITY

When you're ready to order, view your shopping list and see what's currently in stock. No guesswork—just a quick and easy way to know what's available right away! If something is out of stock, request assistance and your representative can place a special order with the publisher and provide you with expected delivery timelines.

FAST RELIABLE DELIVERY

We know you're busy, so we make sure orders placed on the site arrive quickly—typically within 3-5 business days. You receive automated messages when your books ship so you know when to expect your orders to arrive.
