

# Discover TinyEYE Advantage

		<b>Staffing Agency</b> (in person or virtually)	<b>In-Person Services</b>
<b>Fill Rate</b>	99% fill rate	~25%, leading to irregular access	Increasing <b>staffing</b> shortages everywhere
<b>Quality of Practitioners</b>	<b>Qualified practitioners</b> selected by expert recruiters	Quality varies due to a <b>lack of rigorous selection process</b>	<b>Limited access</b> to practitioners based on location
<b>Compliance Tracking</b>	<b>Access to live data</b> to track compliance, progress, billing and more	Limited access to live data, leading to <b>inefficient monitoring of therapy programs</b>	<b>Limited visibility</b> into progress data
<b>Experience</b>	Diligent teams building upon best practices with <b>over 1 million sessions delivered</b>	Providers have <b>less expertise</b> in delivering services remotely	<b>Limited scalability</b> due to logistical constraints and resource limitations
<b>Engagement</b>	<b>Virtually trained practitioners</b> utilizing engaging methods through a proprietary platform	<b>Limited ability to tailor materials</b> and mainstream platforms (i.e. Zoom) to individual student interests	Balancing direct and indirect <b>services strains practitioners</b> , leading to <b>missed opportunities</b>
<b>Cost</b>	Cost-effective solution with <b>lower overheads</b>	Overhead cost <b>plus additional fees</b>	<b>Higher costs</b> due to travel expenses, facility fees, and more
