Benefits of Modular Stations Mosaic, Spectrum, & Evolve

Having a modular design allows you to change up your station as your program develops by adapting a configuration to suit your needs.

- With the **Mosaic's** innovative snap together modular design, you can easily reconfigure your waste and recycling collection station to meet the needs of multiple spaces within your building. If your space is limited, simply rotate the Mosaic 90 degrees to gain an additional 5 inches of clearance.
- The **Spectrum®** bins can be easily rearranged or added to at any moment, making it the ultimate solution for the ever-advancing recycling program.
