Keeping Students Learning Safely

At 360 Fire & Flood, we understand that schools and universities are more than classrooms—they're communities. When disaster strikes, our priority is the safety of students, faculty, and staff while minimizing interruptions to learning. Our team restores your facilities quickly and safely, so education continues without major disruption.

WHY SCHOOLS & UNIVERSITIES TRUST US

- Certified Experts - IICRC and ICRA-certified professionals experienced in educational facilities.
- Day-to-Day Continuity - Classes, events, and activities continue with minimal disruption.
- Large-Loss Specialists - Skilled in managing complex, multi-building restoration projects.

SERVICES

- 24/7 Emergency Response
- Full Reconstruction Services
- Environmental
- Temporary Power & Climate Control
- Roofing
- Temporary Classroom & Workspace Solutions

Call us today to learn how we can help restore your campus while keeping students safe and learning.
