AEPA
CONTRACT #026-C

LED LIGHTING - NATIONALLY BID. LOCALLY AWARDED.

Buy LED lighting today at national contract pricing. No RFP. No waiting. Fully compliant.

SKIP THE BID. BUY TODAY.

Running your own lighting bid takes months, costs staff time, and still carries legal risk. If you work in Education, Government, or Non-Profits, you do not have to. The contract is already in place, fully bid to Colorado standards, legally compliant, and ready to use right now.

WHAT THIS MEANS FOR YOU

- 1 Order today, not next quarter**
No RFP. No waiting. BOCES has already done the procurement work. You place the order and FSG ships.
- 2 Pricing you cannot beat on your own**
AEPA supports 25 million students, across 31 states. That combined volume forces vendors to bring their best price. Every contract user gets it equally.
- 3 Your auditor will approve it**
BOCES bid this contract in Colorado, under Colorado law. Locally awarded, legally defensible, and audit-ready from day one.
- 4 Built for tight budgets**
National contract pricing stretches every dollar further. Schools, colleges, cities, and nonprofits across Colorado qualify.
