Commercial Toilet Seat with Sani Lift Handles

This commercial elongated open-front toilet seat features integrated Sani Lift handles with a liquid-funneling design for improved hygiene and hands-free lifting. Built for high volume use, it includes durable UV-protected polypropylene construction, ergonomic comfort-curve seating, non-skid rubberized pads, self-sustaining check hinges, under-seat pinch-reducing hinges, and corrosion-resistant 304 stainless steel hardware.

- Pair with **#54428** seat washers

#60053

A/C Easy Tee Kit

A simple, reliable 3/4" condensate drain service port to easily clear clogs using nitrogen, water, or a shop vacuum with no valves or moving parts to fail. Close off backflow easily for maximum cleaning power that allows wet or dry methods for removing dirt, debris, and buildup from primary drain pans. No drain line cutting is required!

#99735

Brass Faucet Lock

Featuring a patented free-spinning design that protects faucets and hose bibbs from vandalism, unauthorized use, tampering, and water theft. Constructed from heavy-duty solid brass for long-lasting rust resistance, it installs easily on standard 3/4" hose thread outlets, includes two keys, and can be keyed alike for convenient multi-location security while promoting water conservation.

#60031

PRODUCT SPOTLIGHT

Re-Peel (1 QT)

Citrus terpenes cut through oils and residues, Coconut diethanolamine enhances foaming and cleaning power, while nonionic surfactants help penetrate & remove contaminants for an effective, residue-free clean. These ingredients work together to dissolve grease, loosen buildup, and lift away dirt and scale. Use as cleaner, degreaser, deodorant, descaler, and declogger in dumpsters, grease traps, or on any adhesive residue & more!

Active Ingriendient: Citrus Terpenes, Coconut Diethanolamide, Nonionic Surficant

Seat Grip Washers

Seat Grip Washers stop toilet seat and hinge slippage to prevent damage & avoid cracking porcelain. Just remove toilet seat, clean surface, undo washers backing, and place Seat Grip in water to activate the adhesive back. Install washers' adhesive side next to toilet and tighten seat nuts; the adhesive will set when nuts are tightened.

#54428

Master Partition Assortment

Stay prepared for partition repairs and installations with this all-in-one Partition Hardware Master Assortment. Featuring 34 essential components including wall brackets, strike & keepers, coat hooks, latches, handles, and knobs with a variety of sizes and styles, plus a one-way screwdriver for secure installation.
